

Building Partnerships

Annette Winn Elementary School provides many opportunities that parents can utilize to help their children succeed. The **Parent Resource Center** (PRC) offers a variety of resources such as educational games, books, workbooks and other materials. Parents may use materials in the center, or they may take advantage of the lending library which is available at the center. The lending library provides parents with an opportunity to check-out resources for home use. There are also parent workshops and meetings scheduled throughout the year that include topics such as math, and science workshops, Homework Help and Test Taking Strategies. The AWES Newsletter is sent home and it includes more information on family engagement activities at our school. Our Kindergarten-fifth grade classes will be conducting APTT (Academic Parent Teacher Team) meetings. During these meetings, teachers will present data and activities to help parents work with their children at home.

Communication about Student Learning

Annette Winn Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you include the following:

- Fifth grade teachers will utilize agendas as a daily communication tool, as well as Google Classroom and monthly newsletters.
- Parents and teachers will meet three times throughout the year in APTT meetings including an individual conference.
- Progress reports and report cards will be issued quarterly.
- Updates will be posted on the school and district websites.
- Remind is also used.

What is a School Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Annette Winn Elementary School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using high-quality instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom

How is the School Parent Compact Developed?

Annette Winn Elementary School parents, students, staff, and teachers contributed to the development of this Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them. Meetings are held throughout the year to review the Compact and make changes based on input received. Parents can contribute ideas at any time using our Comment Cards (housed in the Parent Resource Center or in the main office). For more information about the Compact or about submitting input, please contact the Instructional Lead Teacher or our principal, Ms. Trexler at 770-651-3100.

TEACHERS, PARENTS, STUDENTS TOGETHER FOR SUCCESS

IN OUR FIFTH GRADE CLASSROOM

The fifth grade teachers will work with students and their families to support student success in reading and math. We will work with students and families in the following ways:

- ◆ Provide parents with Parent Tips, videos, websites and grade level information via newsletters to assist with math content at home. We will use Ready Math, Ready Reading and WriteScore.
- ◆ Provide reading passages that integrate science and social studies for student to complete a constructed response. Provide an opportunity for students to checkout books from the media center as well as provide the login for the online program myON for at home readings.
- ◆ Conduct APTT meetings to review student progress and provide activities to be done at home.

AT HOME

Annette Winn Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math. Some of our key at-home activities will be:

- ◆ Review the Parent Tips, resources and newsletters that are sent home to ensure that we are aware of the expectations in mathematics
- ◆ Read the responses and use all resources provided to help enhance reading and writing skills .
- ◆ Utilize myON and/or books to read various types of text and provide an area for my child to read daily for at least 20 minutes every night, including taking AR tests
- ◆ Attend APTT meeting to learn how to help my child at home.
- ◆ Study/Memorize multiplication facts.

ANNETTE WINN ELEMENTARY SCHOOL STUDENTS

Annette Winn Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading and math. Students thought of the following ideas to make connections between learning at home and school:

- ◆ Complete the activities shared in the Parent Tips, videos, websites and newsletters at home with my parent(s)/guardian(s) to help with my understanding of what will be covered in the math modules.
- ◆ Complete all activities such as reading passages and constructed open-ended response questions in class and for homework.
- ◆ Read for at least 20 minutes a night using my library book or using myON, as well as take AR tests.
- ◆ Take notices home to inform my parents of APTT meeting dates.

Do you have questions about your child's progress?
